# Joana Cardoso

## Graphic Design and Multimedia

My name is Joana, I'm from Viseu - Portugal and I'm 21 years old. I took a professional multimedia course, where I developed a taste for the area, after which I decided to enter a degree in graphic design and multimedia to develop my skills in the area, at the moment I am exploring the market and looking for new opportunities.

## Work Experience

### ● 2021 (May - July)

- ArtSpazios I Campo de Viriato, nº94, Viseu, Portugal

#### Multimedia Trainee

At the end of the technical and professional multimedia course, I joined this internship, where I was able to develop my technical skills and my capacity for cooperation and teamwork.

## Education

### ● 2018 - 2021

Escola Secundária de Emídio Navarro I Viseu, Portugal

#### MULTIMEDIA TECHNICAL AND PROFESSIONAL COURSE

In this course I acquired knowledge of capturing and editing sound and images, code bases (html, css and javascript), general knowledge of graphic design, as well as the use of various digital tools, especially the various Adobe programs.

### ● 2021 - 2024

Instituto Politécnico de Leiria

Escola Superior de Artes e Design I Caldas da Rainha, Portugal

#### DEGREE IN GRAPHIC DESIGN AND MULTIMEDIA

In this course I improved my previous knowledge, developed my teamwork skills, my critical sense, my creative abilities and learned how to use Artificial Intelligence in graphic design and multimedia.

## Preferences

UI/UX DESIGN | MULTIMEDIA | PHOTOGRAPHY AND VIDEO
